On Monday, December 12th the Executives Association of Long Beach networking group had our quarterly membership showcase event at new member Dr. Heather Desh's office HD Orthodontics.

Dr. Desh's office is a beautiful beach themed orthodontics practice at the traffic circle. She recently opened and is looking to grow her practice. She does braces and invisalign for both teens and adults.

TGIS catered the mixer and did a wonderful job preparing and presenting the food. Everyone was in the holiday spirit and happy to get to know more about our new member Dr. Heather Desh.

MEET DR. HEATHER DESH

Dr. Desh is a board certified specialist in Orthodontics and Dentofacial Orthopedics, a prestige only 1 in 3 orthodontists obtain. Raised in Bethlehem, Pennsylvania, Dr. Desh completed her undergraduate studies at Lehigh University. She graduated after three years Summa Cum Laude with a BA in pre-dental medicine and was inducted into Phi Beta Kappa.

Dr. Desh continued her studies at one of only two Ivy League Dental schools, the University of Pennsylvania. During dental school, she was very involved in research and received several awards at various dental conferences for her work evaluating the role of masseter muscle metabolism in temporomandibular joint disorders. Dr. Desh graduated Penn Dental in the top 5% of her class and was inducted into the Omicron Kappa Upsilon National Dental Honors Society. Upon graduation, Dr. Desh matriculated into the orthodontics program at Temple University Kornberg School of Dentistry in Philadelphia, PA.

Dr. Desh is also a part of many associations:
