On Monday, February 13th the Executives Association of Long Beach networking group held their weekly business owners networking luncheon at The Grand. Pat Ellington of Incredible Journey Travel, celebrating 10 years with the EALB, gave her classification talk on travel. Pat is a cruise specialist and can tell you everything you need to know about cruising from budget lines to 5 star sailing experiences. Incredible Journey Travel is a full service travel agency and can help you with world-wide travel. In fact, next week she leaves on a "research" trip to Antarctica! If only all our jobs were so exciting.

I would say that the best part about Pat's services are that are free but in fact the best part is her ability to transform your vacation (with all the ups and downs that usually entails) into an worry-free incredible journey! Many of the members gave testimonials of the wonderful service Pat provides, her attention to detail and her ability to find great deals and add even more value to your trip. Whether you are traveling within the United States, flying to Asia, cruising the Bahamas or wine tasting in Italy Pat can help you plan your journey...for free! The only fee she has is a per ticket booking fee if you are purchasing air only tickets through her. If you purchase air along with your hotel or cruise there's no fee at all. Who can pass up rates like that?!

Need a break from the daily grind? Call Pat, she's happy to have a conversation with you to see if she can help. By the way, she loves to help people too.

Please follow her on [Facebook](#) or write her a review on [Yelp](#) if you are happy with her services.
