On Monday, May 22nd, 2017 the Long Beach Executives Association met for their weekly business to business networking lunch in Long Beach. This weeks speaker was Vince Bunting co-owner of C.H. Topping with his wife holds the classification of Automotive: Brakes.

Vince has been a member since 2003 and is a member of the EALB board of directors and the K-9 Officers Association Board of Directors. He is also a member of the Sultans car club.

The company was founded in 1931 by C.H. Topping to sell auto parts by Mr. Topping. Vince and his wife bought the company in 1981 and have been in the same location in a historic building ever since. Today Vince's son Vinny also works in the shop and has learned the family trade.

Just about everyone in the room at the Execs lunch spoke about their experience taking their cars to Vince for brakes and every one of them remarked on his (and his crew's) honesty, depth of knowledge and accurate assessments. Many of the Execs were told by dealerships that they needed new brakes only to find out from Vince that they could go another 5-10,000 miles safely. If you are looking for a honest person to take your car to for brakes, look no further than Vince Bunting.
