MEMBER FOCUS TALK

Machelle Thompson

On Monday, August 29th at 5:30pm the EALB members began arriving at Executive member and EALB Vice President, Machelle Thompson of Keen Home Care's new board and care facility in Rossmoor called Rossmoor Home. Machelle and her partner Ginny hosted a lovely membership showcase with food catered by fellow Exec TGIS Catering and provided a great bar with Ginny mixing up the cocktails. There was a handful of potential new members in attendance as guests along with many spouses and a few kids. It's great to get to know the other members on a more social level at these events.

Machelle and Ginny have done an amazing job converting this house in Rossmoor into an assisted living home for the elderly who are looking for a more comfortable environment where they can get the round the clock care they need while still enjoying all the benefits of a home. I believe there will be six seniors living there when they open for business. Many of the Execs remarked on how they would want to live there if they needed that type of care. What a great compliment for Keen Home Care to hear after the years of hard work that went into making this vision a reality.

If you know of someone who needs any level of senior care be sure to refer Machelle at Keen Home Care, she is an expert in her field and will take excellent care of your family member or friend.

Thank you Machelle for hosting the EALB at your fabulous new facility! We all wish you the best of luck with this new segment of your senior care business.
