On Monday, September 26th at The Grand at noon, EALB Executive member Dr. Stephen Hryniewicki from Long Beach Internal Medical Group gave a classification talk as the EALB Physician. Dr. Hryniewicki has been a member since 2010.

The "boutique style" practice began approximately 9 years ago. Dr. Hryniewicki uses Memorial Hospital of Long Beach exclusively. The focus is on adults only. Cost is \$1,800.00 yearly, and includes a comprehensive annual physical appointment of 2 to 2 1/2 hours.

He services a smaller number of patients which provides for his patients a "No rush" atmosphere. He personally returns calls to his patients. For non-emergency medical problems he can see patients at a moment's notice.

Long Beach Internal Medical Group is a concierge medical practice that provides personalized primary and preventative care in a compassionate and unhurried setting. We are dedicated to providing the highest-quality comprehensive care to our patients with an emphasis on wellness and prevention. Our physicians devote quality time and attention to a smaller group of patients compared to the conventional physician who typically oversees 2,000-4,000 patients. By limiting the number of patients in our concierge practice, our team of [board certified physicians](#) and medical staff provides enhanced medical care in which patients can expect 24/7 access to our physicians, high-quality healthcare, and a strong collaborative doctor- patient relationship.

Dr. Stephen Hryniewicki, a first generation Polish-American. He grew up in Downey, California and knew at a young age he wanted to be a physician. He attended the University of California, Irvine majoring in Biological Sciences with the plan to go on to medical school. He graduated cum laude and was accepted at the medical school at UCI. During his medical school education, he found his calling of Primary Care. He was accepted in the Internal Medicine residency program at UCI, with an emphasis in Primary

Care. After completing his residency, he joined Long Beach Internal Medical Group in 1983 where he has been providing personalized, compassionate care.

Dr. Hryniewicki has three children. When he isn't working, you can find him cycling, traveling, hiking, and cooking. He enjoys movies and reading. He has also been involved in several hospital committees at Long Beach Memorial Medical Center where he has been on the Board Directors and Chairman of the Medical Records Committee.
